

Company: SMOOTHIE CROWN

School: Gyan Mandir Public School

Vision: The vision of the company was to provide lip- smacking smoothies with highest nutritional values and fuelling health and happiness.

Mission: We were determined to allure everyone to buy our nutritious, delicious and hygienic smoothies instead of buying carbonated and unhealthy drinks. To achieve this team member experimented different flavours.

Our USP: We added herbs from the school herbal garden in our smoothies

Zero Waste Policy: The waste from fruits were composted and converted into manure and used in school herbal garden.

Learning from project:

- Entrepreneurship skill
- Enhance our critical thinking
- Being compassionate and empathetic toward others
- Care for Earth

Profit: Gradually we were able to make a roaring sale and then we used the profit for buying the stationery items which we donated to children of under privileged section of the society.

SMOOTHIE CROWN TEAM
